

ZOOM UNVEILS STATE-OF-THE-ART NETWORK CENTRE

Zoom Technologies, a network and security solutions expert has unveiled a network and security training centre which is comparable to the best in the world.

Zoom Technologies (India) Pvt. Ltd. has unveiled a world class, state-of-the-art network and security training center at HUDA Maitrivanam, Ameerpet.

The centre was formally inaugurated by Sri Dharmana Prasada Rao, Hon'ble Minister for Revenue, Andhra Pradesh.

The futuristic set up at Ameerpet includes fully-equipped network labs and classrooms with high-end routers, core switches, ultra-security firewalls and servers from a range of vendors to give the best possible training to network engineers. This centre is a boon for IT professionals who wish to learn cutting edge technology in a world-class environment. Some of the courses offered are CCNA, CCNP, MCSE, PIX and Checkpoint Firewall, Ethical Hacking and Linux/ Solaris.
