ONLINE TRAINING – COMPLETE DETAILS

Online Training @ Zoom is a cost effective method of learning new Networking skills from the convenience of your home/work. Professionals need to constantly update their skill portfolios to stay relevant in today's fast changing world. Taking an online training course has many advantages for everyone (Fresher / Working Professional).

Teaching in English language with natural accent.

1. Online Training is just a few mouse clicks away (access via Internet)
2. No travel required: for overseas Students & there are no Visa hassles
3. Convenience: Training can be accessed from anywhere – Work, Home or even on the road
4. Highly cost effective :(Travel + Accommodation cost = 0000$)
5. Easy to use : Uses either a standard web browser or a client agent
6. Dynamic content makes it highly interesting and fun to use

Zoom offers online training for the highly coveted CCNA, CCNP & CCIE courses in R&S track, with more courses planned for the near future. This is an instructor led course, using **Cisco WebEx**.
