

Seminar held on 18<sup>th</sup> February, 2011

FOR THE WHO'S WHO OF THE INDUSTRY IN HYDERABAD

A workshop on “Methods of Intrusion and prevention in Enterprise Networks” was conducted by Zoom Technologies and NetASQ Inc. on the 18th of February , 2011. The venue was the premier five star hotel in Hyderabad, “The Taj Deccan”.

The seminar was held on a warm summer evening and was attended by the who's who of the top companies in Hyderabad. The first part of the seminar dealt with attacks and intrusion techniques. Live demos of various Web2.0 attacks were shown , including how to take over a Twitter account !

#### THE AUDIENCE....

- INDIAN RAILWAYS
  - NICS
  - APTS
  - HETERO DRUGS
  - IDRBT
- AND MANY MANY MORE..

### “Methods of Intrusion and Prevention in Enterprise Networks”

- The showcase event highlighted the NetASQ product suite in combating threats to corporate network security. The entire exercise was geared towards one thing – to help people make better decisions about their network protection by increasing their awareness of the latest threats and attacks and then showing them how NetASQ can be used to achieve fool-proof security. The audience was impressed to know that these high -end products which were earlier available only for critical sectors like defense /space research could now be deployed in commercial networks.

LIVE DEMOS OF WEB2.0 ATTACKS SHOWN , INCLUDING TAKING OVER A TWITTER ACCOUNT !

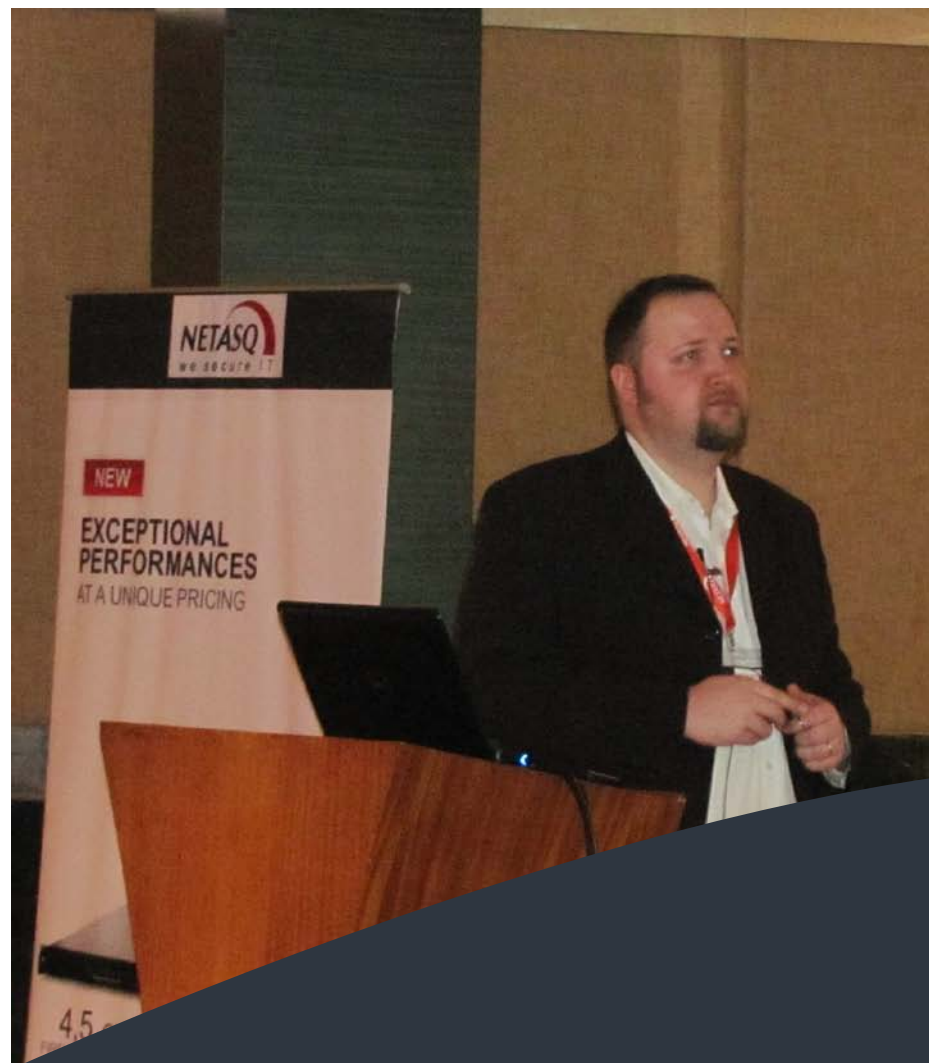

Figure 1 Mr Noble , CEO , Zoom Technologies interacting with the audience

Mr Benoit Vancanaghem took charge and discussed how security loopholes could be plugged using the NetASQ product suite. He drew attention to NetASQ's unique features like contextual signatures , high throughput IPS and risk management using Seismo . The anti-spam features of the Mfiltro also garnered considerable interest from the audience.

This was followed by dinner and cocktails. Mr Noble ( CEO , Zoom Technologies) and Mr Benoit then had a few informal discussions with potential clients over drinks and these leads are being pursued.
